

INTERNATIONAL

Family Program in Philadelphia

Start any Monday from June 23 to July 27, 2019

Travelling together as a family builds memories that will last forever. Family travel is even more rewarding when you can combine a beautiful destination with education and the opportunity to make international friendships. Our Family Program in Philadelphia, PA gives students the experience of building friendships with American children while also providing adults the chance to practice their English with students from around the world.

Students aged 6-14 will participate in a summer camp program at Flourtown Day Camp with local American students where they will learn, explore, and play with local students in a carefully structured and supervised environment.

Adults and teenagers from 15 years and up will study at FLS Chestnut Hill College from 9 am to 12:15pm on our Vacation English Program. Afternoons are free for shopping, exploring, and relaxing while experienced instructors take care of your children.

Accommodation is included at Extended Stay America just a 20 min car/bus ride from both Chestnut Hill College and Flourtown Day camp. Rooms accommodate up to 4 people and are equipped with a small kitchen.
